KOSHER CERTIFICATE

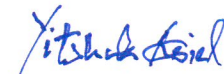

This is to certify that the following product manufactured and exported by „Nova Sloga“ doo of the above address, is kosher for year round use including Passover:

MIVELA Sparkling natural mineral water, carbonated, **Mg++ MIVELA**

This water comes forth from the spring “Veluće”, placed near the village Veluće in Serbia. The spring lies on 220 meters height above sea level. Temperature of the water is always between 19-21 degrees of Celsius. The water goes straight to the automatically conducted bottling line, without coming, during the entire process, into contact with any pollution source or any raw materials which are forbidden according to the Jewish law.

This certificate is valid until June 27, 2023 and is subject to renewal at that time.
